

Ik wil dat mijn vriend/vriendin de volgende eigenschappen heeft:

The worksheet is designed for students to write down qualities they want in a friend or girlfriend. It features a large tree graphic where the leaves are represented by seven white hearts. Each heart has three horizontal lines for text. The background is a textured orange-brown. In the bottom left corner, there are two white icons: a male figure and a female figure, both with a red heart on their chest. The bottom right corner features silhouettes of various trees and plants in shades of green and brown.
