

Coronavirus

The following information is about coronavirus.
If you have any questions, please call 0800 1351

Recommendations for indoors and outdoors:

- Stay 1.5 meters away from other people.
- Children aged 12 or younger do not have to stay away from each other or adults.
- Avoid crowded places.

Public transport

- Do not use public transport if it is busy.
- Passengers aged 13 or older must wear a face mask. Using public transport without a mask may result in a fine of €95.

Recommendations for people who have health complaints (feel sick): Stay home and get tested

Stay home if you have a fever or shortness of breath. Everyone living with you has to stay home as well. Get tested for coronavirus: call 1800 1202.

If you have one or more of the following complaints, only you need to stay home:

- coughing;
- sneezing;
- runny nose;
- sore throat.

Get tested for coronavirus: call 1800 1202.

The website www.thuisarts.nl provides a lot of information on coronavirus.

It also explains when you should call your doctor.

1. Visit www.thuisarts.nl online.
2. In the search bar ("Zoeken"), type Corona and click "Zoeken".
3. From the list, select "Corona".
4. Click  **Voorlezen** at the top of the page to hear the instructions.

It is important that you do not go directly to your doctor if you think you have coronavirus. If you need help from your doctor, call first.

If you have any other questions about coronavirus,
call **0800-1351**
